SUMMARY

A fourth-year Information Technology student at the University of Science and Technology of Southern Philippines (USTP). Has experience in UI/UX design using Figma and in application development using React Native and ReactJS through academic projects. Has a good understanding of web systems and basic system analysis. Still improving technical skills but works well in a team, communicates clearly, and understands user needs. Reliable, responsible, and able to work independently.

CORE COMPETENCIES AND TECHNICAL SKILLS

- Basic full-stack application development using ReactJS, React Native, and Django
- UI/UX design using Figma with focus on user-friendly interfaces
- Web and mobile application development and integration
- Supabase for authentication, database, and backend services
- Basic system analysis and requirement gathering
- Implementation of CRUD operations
- Team collaboration and clear technical communication
- Ability to explain technical concepts in simple terms
- Independent, adaptable, and willing to learn

ACADEMIC PROJECTS

ExamSync V2.0 – Capstone Thesis Entry-Level Full-Stack Developer	2025 - 2026 1 st and 2 nd Semester
• Developed a web-based exam scheduling system to make plotting and managing schedules easier • Worked on both frontend and backend features as part of a team • Collaborated closely with group members to analyze system requirements	
LearnIT Platform – Applications Development and Emerging Technologies Entry-Level Full-Stack Developer	2024 - 2025 2 nd Semester
• Gained practical experience despite limited prior full-stack background • Built a web and mobile-based learning platform similar to YouTube, focused on IT-related educational content • Implemented basic content viewing and navigation features • Designed the UI/UX using Figma	
MediSearch App and Web – Mobile Programming Entry-Level Full-Stack Developer	2024 - 2025 1 st Semester
• Created a mobile application similar to a map system for locating nearby and distant hospitals and clinics. • Included features for hospital search. • Designed user-friendly interfaces and handled application logic	

SOFT SKILLS

• Strong communication skills, especially with clients • Ability to explain technical concepts in simple terms • Reliable, trustworthy, and responsible • Independent and adaptable	• Independent and adaptable • Team-oriented with willingness to learn • Highly motivated to learn, improve, and gain real-world industry exposure

EDUCATION

UNIVERSITY OF SCIENCE AND TECHNOLOGY OF SOUTHERN PHILIPPINES (USTP) BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY Dean’s Lister (Academic Year 2024–2025)	August 2022 – June 2026
CAPITOL UNIVERSITY SENIOR HIGH SCHOOL – STEM (NURSING AIDE) Consistent 3rd Honor (Grade 11–12)	August 2020 - 2022

WORK EXPERIENCE

UNIVERSITY OF SCIENCE AND TECHNOLOGY OF SOUTHERN PHILIPPINES (USTP) – CITC DEAN'S OFFICE

February – May 2026

OJT Intern | Full-Stack Developer & Administrative Support

- Contributed to the development of iPerform (faculty evaluation portal) as part of a team, handling UI enhancements, dynamic category rendering, role-based filters, pagination fixes, search improvements, and PDF export functionality
- Actively contributed to the ongoing development of the CITC Portal, working on UI updates, profile pages, dashboard improvements, SyllabEase integration, and GreenWatts merging
- Managing on ExamSync V2 (exam scheduling system) – implemented drag-and-drop scheduling, automated email notifications to proctors, faculty account management, section assignments, and database migrations using Django
- Designed digital assets including CITC virtual backgrounds, Facebook page headers, PowerPoint templates, and Canva presentations for benchmarking and OPCR
- Assisted with administrative tasks including routing documents, preparing Dean's Lister certificates across four programs (BSIT, BSCS, BSTCM, BSDS), encoding Graduate Tracer data, and supporting TCM graduation application processing
- Conducted pictorial sessions for the Lambigit Research Summit and created publication alert templates for IRJMS
- Collaborated closely with supervisors Dr. Junar A. Landicho, Mr. Dario Cruz Miñoza, Mr. Marlon Tumamak, and Ms. Amavell Joy Palomo across all assigned projects

FAMILY'S PHARMACY ASSISTANT (PART-TIME / SIDELINE) | RIO'S PHARAMACY CAGAYAN DE ORO CITY

December 2023 – June 2025

Family's Pharmacy Assistant (Part-Time / Sideline)

- Assisted customers and pharmacy staff with daily operations
- Helped manage inventory and organize supplies
- Developed responsibility, trustworthiness, and work discipline
